I have considered all of my options, taken independent financial advice where appropriate, and would like to request the Trustees of the Plan to fully convert my Plan benefits and any pension benefits that may be payable to my spouse in the future into a Lump Sum and to pay this amount to me. I understand that in giving these instructions, I cannot later change my mind. I understand that 25% of the sum will be free of UK tax and that the remainder will be taxed at my Basic Rate.

In consideration of the payment to be made to me, I discharge the Trustees of the Plan of all liability in respect my benefits held under the Plan.

Please pay the lump	sum directly into my bank account, the details of	which are:
